

ADDRESSING FOOD WASTE 3 YEAR PLAN

What direction are you going?

ACWW Resolution Addressing Food Waste

Be it resolved that ACWW facilitates both action and advocacy on the issue of food waste, recognizing that food waste occurs throughout the global food supply chain, and that coordinated action is required to migrate food loss and wastage at every stage.

The following information will be used for all three years.

- Lesson Materials
- Hand-Outs
- Ideas for Fundraisers

2024 - Food Desert - Access and Availability

- Where Are Food Deserts Located?
- How Are Food Deserts Identified?
- What can we do?

2025 - Food Waste - Utilization and Stability

- Food Waste Prevention Week, April 7-13, 2025
<https://www.foodwastepreventionweek.com/>
- Healthy Living
- Availability of Foods

2026 - Four Critical Factors Affecting Food Security

- Climate Change
- Energy Security
- Conflict
- Water Security
